

# YOUNG WOMEN IN BIO CAREERS IN BIOTECHNOLOGY

## Learn How A Science Degree Opens Doors To The Laboratory And Beyond

Join us at the J. Craig Venter Institute for an opportunity to meet and interact with women who have science degrees and work in various careers that support the cutting-edge research in genomics and bioinformatics. Tour the facilities and see what it takes to sequence one genome or several thousands.

**An exclusive invitation for middle school girls 7 & 8th grade.**

**Date:** Thursday, December 3, 2009

**Time:** 4:00pm - 4:30pm

4:30pm - 6:00pm

6:00pm - 6:30pm

Arrival/Introductions

Program and Facility Tour

Pizza/Closing

**Location:** J. Craig Venter Institute

***Advanced Registration is REQUIRED.***

***No walk-ins allowed.***

Register at [YWIB@womeninbio.org](mailto:YWIB@womeninbio.org)

DEADLINE to register is October 1.

For information contact Jennifer Colvin at

[jcolvin@techcouncilmd.com](mailto:jcolvin@techcouncilmd.com) or phone 240.243.4053.

Women In Bio is a non-profit organization dedicated to educating women to advance and build successful companies in the life sciences industry.
